# **APPROVED 2024 BUDGET**

TO:

GREENCASTLE MANOR No. 2 CONDOMINIUM HOMEOWNERS

FROM:

SHIREEN AMBUSH, PCAM, CPM

PROPERTY MANAGER

DATE:

**NOVEMBER 13, 2023** 

As all owners were previously notified, the Greencastle Manor No. 2 Condominium Board of Directors met on October 25, 2023 at which time they reviewed and approved the 2024 budget for the Condominium Association with no changes to the proposed budget which was previously sent to all unit owners. The monthly fee will increase to \$170 per home per month and the approved 2024 budget will go into effect on January 1, 2024.

As all owners were previously notified, a law in the State of Maryland became effective on October 1, 2020 pertaining to the deductible of the master insurance policy for the Condominium that states that the owner of any Condominium Unit within which an insurable loss incident originates is subject to being assessed the amount of the condominium's master insurance policy deductible up to \$10,000. The current deductible amount under the Condominium's master policy is \$10,000 per incident. It is imperative that all owners contact their homeowner's insurance agent to confirm that they have coverage for the condominium's \$10,000 deductible in the event that an insurable loss originates in their unit.

In an effort to facilitate the snow removal services over the winter, the Board of Directors has designated certain non-reserved parking spaces throughout the community as "NO PARKING DURING SNOW". These spaces will be used for the piling of snow that is plowed from the community roadways and sidewalks. Any vehicles that do not obey the signs will be towed at the vehicle owner's risk and expense.

Please see the enclosed flyer containing information about the Montgomery County Commission on Common Ownership Communities. This annual notification is required per Montgomery County law.

If you should have any questions regarding the approved budget, please feel free to contact me directly at the letterhead number above. On behalf of the Board, I wish you a happy holiday season and I hope you are all staying safe and well.

## **Annual Notice**

# We Want You to Know About The Montgomery County Commission on Common Ownership Communities

Montgomery County recognizes that a substantial proportion of all its citizens now live in condominium, cooperative, and homeowner associations, generally called "common ownership communities." In order to serve better the special needs of these communities, to act as their advocate, and to maintain and improve the quality of life in these communities, the county created the **Commission on Common Ownership Communities**, operating under the authority of Chapter 10B of the Montgomery County Code.

The commission has 3 basic duties:

**Education:** The commission provides free information to both members and governing bodies about their rights and duties under Maryland law, as well as advice on how to properly operate the association, and avoid complaints. Among other tools, it offers a "Manual and Resource Guide" for boards of directors, and detailed information on such topics as architectural control, assessments, and meetings – all of which can be found on the commission website. It publishes a newsletter summarizing recent developments affecting common ownership communities.

**Legislation:** The commission advocates for common ownership communities concerning proposed laws and regulations at the local and state level.

**Dispute resolution:** The commission can hear and resolve certain disputes between members of the communities and their governing bodies, and its decisions are legally binding on the parties. Copies and easy-to-read summaries of its decisions are posted on its website and reviewed in its newsletter.

The commission is composed of 15 volunteers who are appointed for three-year terms. Eight members must be residents of common ownership communities and the other seven must be professionals who work with the communities, such as property managers, lawyers, developers, and realtors. Every fall, the county publishes a request for applicants to the commission to replace those whose terms are due to expire.
